ABOUT US

OUR HISTORY

*Incorporated on August 10, 1850 by an Act of the Legislative Assembly of the Province of Canada, The Cataraqui Cemetery Company was one of the very first cemeteries of its kind, in Canada and remains a model for others. Our purpose withstands the test of time as we continue to meet the diverse and shifting demands of the public we serve. Without any kind of change in ownership, today, we operate under the trade name of **Cataraqui Cemetery and Funeral Services**, (to better identify with our expanded and comprehensive services) the Cemetery remains held in trust for the Interment Rights Holders. As the stewards of two National Historic Sites of Canada (Cataraqui Cemetery NHSC and Sir John A. Macdonald Burial Site NHSC) we are proud to say that Cataraqui is also designated and protected as a culturally and historically significant Ontario Heritage Landscape.*

OUR ROLE AS A NOT-FOR-PROFIT

The Cataraqui Cemetery Company, a non-capital share corporation (not for profit, was formed and remains as such for the benefit of our members, the Interment Right Holders. Consequently, as a not for profit, all revenue realized from the interment rights, products and services that we offer remains with the Corporation for the benefit of the members by way of safeguarding the burials sites through the continual care, upkeep, improvement preservation and management of the cemetery. We provide essential cemetery, memorialization, cremation and funeral services to our members as well as the extended community.

OUR SERVICES

Cataraqui Cemetery is an active cemetery with plenty of available space and interment options. The onsite crematorium remains a preferred service provider for nearly 40 years. Additionally, we present a comprehensive offering of funeral and cremation services to meet varying needs, budgets and expectations. Cataraqui Cemetery and Funeral Services offer you and your family personalized services and tailored product packages (monument, urns, and keepsakes) to suit many tastes and budgets.

OUR MISSION

We will, as a not for profit organization, be a leader in providing our community with quality burial options, cremation services and commemoration products. We guarantee to our Interment Rights Holders the responsible care and maintenance of Cataraqui Cemetery as a place of collective remembrance and scenic beauty. We will preserve Cataraqui Cemetery's heritage and historical significance to honour the community we serve.

OUR VISION

To be a cemetery that is recognized and embraced by the community as a place of tribute and a setting where the living may celebrate life, nature's beauty and the memory of those who have gone before us.

OUR PRICING

Cemeteries are in the "forever" business. The pricing for our services and products must take into consideration our endless commitments to the interment rights holders and their families. We invest today, for tomorrow and for the period after the last interment rights are sold and the last interment has taken place. Our pricing reflects:

- A) noticeable value and fair prices for the quality products, supplies, services that we offer, as determined by market conditions and regular benchmarking of similar providers;*
- B) the expenses of our past, current and future obligations arising from caring, maintaining and preserving the cemetery in perpetuity; and*
- C) the lasting and forgone economic repercussions of not being able to utilize, for any other purposes, the land or areas of the cemetery that have been or will be occupied and evermore consumed for burial.*

CARE & MAINTENANCE FUNDS

As required by the Funeral, Burial and Cremation Services Act, 2002 (FBCSA) the Cemetery's restricted care & maintenance (C&M) trust funds are for the purpose of providing the Cemetery with the necessary funds for its care and maintenance obligations, in perpetuity. Only the interest earned on the principle from the funds may be available for use. Contributions to the funds shall be: 40% of the purchase price of each in ground burial lot; 20% of the sum of each private mausoleum; 20% of the purchase price of each crypt in a community mausoleum; 15% of the sum of each private columbarium; 15% of the purchase price of a niche in a community columbarium; \$100 for the setting of each flat marker measuring 173 sq. inches or greater; \$200 for the foundation of each upright marker that is 48" or less in width or height; and \$400 for the foundation of each upright marker that is greater than 48" in width or height. Contributions to the trust funds shall be made within the time frames established by the FBCSA and are generally non-refundable. Additionally, FBCSA stipulates that C&M fees may be applied retroactively and collected for all interment rights purchased without C&M prior to 1955 and/or markers installed without C&M prior to 1955. Please consult the FBCSA, the Cemetery's By-laws, the purchase contract or our office for more specific details.

ABOUT PAYMENT, FINANCING AND FUNDING

We offer various and flexible payment, funding and financing options to our clients. Additional information is available upon request.

PAYMENT

Payment is due, in full upon signing the contract, unless otherwise agreed and specified. Payment may be made by cash, cheque, debit, and most major credit cards. No services or supplies will be delivered or provided until payment is received in full. A contract that is past due for payment, will be charged interest at a rate of 1% on the declining balance which is equivalent to 12.68% per annum (APR).

FINANCING

Payment plans are available to meet most budgets. Financing charges apply to payment plans. Pre-authorized direct withdrawal is available and preferred for time payments if you are pre-paying for services or supplies. Other payment methods may be considered for time payment but require the approval of management. Interment rights must be paid in full prior to use. All services and supplies must be paid in full prior to delivery or provision. Pre-need supplies and service may be secured on payment plan.

FUNDING

When pre-paying, you pay for the services and supplies today at today's prices and the paid funds will be used to pay for the contracted services and supplies when they are delivered at the time of death. Pre-paid funds are held as:

- **TRUST:** *You may pay the money directly to us and we will place it in a specific trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.*
